## **GRANT MANAGEMENT SOFTWARE FIRM EXPANDS WEST** **Opens California office and hires new Director of Marketing and Communications**

Lisa Stockon, Director of Marketing and Communications for Panther International

Clearwater, FL – (June 2, 2010) – Panther International, LLC, the Tampa Bay-based software firm that developed the BlackCat Grant Management System, is proud to announce the opening of their west coast office located in Napa, CA. This is the fourth office for Panther, who also has locations in Tallahassee and Coral Springs in South Florida.

Based in the California office is the newly appointed Director of Marketing and Communications, Lisa Stockon.

*“The addition of our California office is a great benefit for us in managing our increasing partnerships across the nation. The expansion allows us to continue to offer industry leading products while maintaining our reputation of unparalleled service,”* said Panther Vice President, Scott Entin. *“Furthermore, we are especially excited about welcoming Ms. Stockon to our leadership team. Lisa’s experience and strategic creative approach make her an extraordinary asset to our clients as well as the company.”*

Ms. Stockon joins Panther with a dynamic background in marketing and project management ranging from technology to luxury goods. She will be responsible for marketing, strategic planning, communications, and development of new partnership opportunities.

Most recently, Lisa held a role in marketing at Constellation Wines U.S. where she managed an international portfolio of brands. She has a Bachelor’s degree in International Business and Marketing from New York University (NYU).
