PANTHER INTERNATIONAL RUNS TO SUPPORT THE FIGHT AGAINST BREAST CANCER

**“Team Panther” will be running the Susan G. Komen for the Cure Florida Suncoast affiliate
5K race**

Tampa, FL – (September 19, 2011) – The employees of transportation software and services firm Panther International, LLC are coming together on Team Panther to run a 5k race in support of the fight against breast cancer. The race is a fundraising effort organized by the local affiliate, Florida Suncoast, of the national organization Susan G. Komen. This is Florida Suncoast’s 13th annual Race for the Cure®.

Team Panther participated in the event last year and is excited do so again. Employees from all four of their offices will gather in Vinoy Park in St. Petersburg, Florida, where they will be joined by friends and family.

“We see participation in events like this as a great opportunity to join together and have fun while giving back to our communities,” said Panther International President and CEO, Chase Stockon.

Panther has a history of philanthropy that includes sponsoring Jumanji, a black leopard housed at Big Cat Rescue in Tampa, FL; participating in the Alzheimer’s Association Memory Walk, Susan G. Komen events and team members sitting on the boards of numerous local nonprofits.

The fundraising goal of Florida Suncoast is \$1,000,000. To donate, register for the race, or get more information, please visit www.komensuncoast.org.

About Panther International, LLC
